

INDUSTRY ASSOCIATIONS AND SOCIETIES

This listing includes associations whose members work or conduct business in the powder and bulk industries. We welcome your suggestions for organizations not listed here and will include applicable information in our next *Reference & Buyer's Resource* issue. Contact Kayla Carrigan, Senior Editor, *Powder and Bulk Engineering*, 1155 Northland Drive, St. Paul, MN 55120; 651-287-5630 (kcarrigan@cscpub.com).

ANALYSIS & TESTING

American Society of Nondestructive Testing (ASNT)

1711 Arlington Ln.
PO Box 28518
Columbus, OH 43228
800-222-2768
gliming@asnt.org
www.asnt.org
Contact: Garra Liming

Represents technicians, engineers, researchers, and educators in promoting, facilitating, and researching nondestructive testing as a profession.

ASTM International

100 Barr Harbor Dr.
West Conshohocken, PA 19428
610-832-9500
jstomas@astm.org
www.astm.org
Contact: James Thomas

Represents producers, users, and consumers of materials, products, systems, and services through development of standards in producing metals, paints, plastics, textiles, construction materials, energy, and other areas.

International Society of Weighing and Measurement (ISWM)

819 Reiman Ct.
Fairmont, MN 56031
507-848-7103
staff@iswm.org
www.iswm.org
Contact: John Hughes

Represents manufacturers, dealers, distributors, government officials, and end users of weighing and measurement equipment.

National Industrial Scale Association (NISA)

9 Rockbridge Ln.
Pueblo, CO 81001
719-248-0018
bnm.0987@yahoo.com
www.nisa.org

Represents manufacturers, users, and designers of weighing equipment and individuals involved with calibrating and testing industrial scales.

Scale Manufacturers Association (SMA)

PO Box 26972
Columbus, OH 43226
866-372-4627
info@scalemanufacturers.org
www.scalemanufacturers.org

Represents manufacturers, integrators, and assemblers of weighing equipment.

BULK SOLIDS HANDLING & PROCESSING

Air Movement and Control Association International (AMCA)

30 W University Dr.
Arlington Heights, IL 60004
847-394-0150
info@amca.org
www.amca.org

Represents global manufacturers of air system equipment, including fans, louvers, dampers, air curtains, airflow measurement stations, acoustic attenuators, and related components.

College-Industry Council on Material Handling Education (CICMHE)

8720 Red Oak Blvd., Ste. 201
Charlotte, NC 28217-3992

704-676-1190
gprest@mhi.org
www.mhi.org/cicmhe
Contact: George Prest

Prepares and provides information, teaching materials, and various events in support of material handling education and research.

Compressed Air and Gas Institute (CAGI)

1300 Sumner Ave.
Cleveland, OH 44115
216-241-7333
cagi@cagi.org
www.cagi.org
Contact: Leslie Schraff

Conveyor Equipment Manufacturers Association (CEMA)

1250 Tamiami Trail N, Ste. 211
Naples, FL 34102
239-514-3441
mike@cemanet.org
cemanet.org
Contact: Mike Nisenbaum

Represents North, South, and Central American manufacturers of mechanical and pneumatic conveyors and conveying components and standardizes the design, manufacture, safety, and application of conveying equipment on a voluntary basis.

Cryogenic Society of America (CSA)

800 Roosevelt Rd., Ste. 312-C
Glen Ellyn, IL 60137
630-686-8889
megan@cryogenicsociety.org
www.cryogenicsociety.org
Contact: Megan Galeher

Represents parties interested in any phase of cryogenics.

Institute for Briquetting and Agglomeration (IBA)

PO Box 1619
Mashpee, MA 02649
219-765-2378
iba@agglomeration.org
www.agglomeration.org
Contact: James F. Torok

Represents international professionals interested and involved in the research, development, and production of briquettes, pellets, and other densified products and the equipment to produce them.

Material Handling Equipment Distributors Association (MHEDA)

201 Route 45
Vernon Hills, IL 60061
847-680-3500
connect@mheda.org
www.mheda.org
Contact: Elizabeth Richards

Represents the material handling industry.

MHI

8720 Red Oak Blvd., Ste. 201
Charlotte, NC 28217
704-676-1190
gprest@mhi.org
www.mhi.org
Contact: George Prest

Represents manufacturers, publishers, integrators, software developers, third-party logistics providers, and consultants involved with material handling equipment and systems for sale in the US.

Process Equipment Manufacturers' Association (PEMA)

201 Park Washington Ct.
Falls Church, VA 22046-4513
703-538-1796
info@pemanet.org
www.pemanet.org
Contact: Sue Denston

Represents manufacturers of process equipment for various industries.

Valve Manufacturers Association of America

1625 K St., Ste. 325
Washington, DC 20036
202-331-8105
info@vma.org
www.vma.org
Contact: President

Represents manufacturers, distributors, and service providers of valves, actuators, and controls. Provides end-user business intelligence, education, events, government relations, networking, workforce development, and communications. Member

Copyright CSC Publishing

companies represent about 80 percent of the total industrial valve shipment exports for infrastructure and process industries globally.

CEMENT & AGGREGATES

American Concrete Institute (ACI)

38800 Country Club Dr.
Farmington Hills, MI 48331
248-848-3800
bkstore@concrete.org
www.concrete.org
Contact: Diane Baloh

Represents designers, architects, civil engineers, contractors, concrete craftsmen and technicians, supplier representatives, students, test laboratories, and manufacturers of concrete structures.

National Stone, Sand & Gravel Association (NSSGA)

66 Canal Center Plz., Ste. 300
Alexandria, VA 22314
703-525-8788
pdunne@nssga.org
www.nssga.org
Contact: Patrick Dunne

Represents producers of sand, gravel, and crushed and broken stone.

Portland Cement Association

200 Massachusetts Ave. NW, Ste. 200
Washington, DC 20001
202-408-9494
info@cement.org
www.cement.org

Serves America's cement manufacturers in policy, research, education, and market intelligence. Members represent more than 90 percent of US cement production capacity with facilities in all 50 states. Promotes safety, sustainability, and innovation in all aspects of construction; fosters continuous improvement in cement manufacturing and distribution; and advances economic growth and sound infrastructure investment.

CERAMICS

The American Ceramic Society (ACerS)

PO Box 6136
Westerville, OH 43086-6136
614-794-5890
customerservice@ceramics.org
www.ceramics.org
Contact: Aimée F. Zerla

Represents ceramic engineers, scientists, researchers, and others in the ceramics and materials industries.

The Refractories Institute (TRI)

1300 Sumner Ave.
Cleveland, OH 44115
216-241-7333
info@refractoriesinstitute.org
www.refractoriesinstitute.org
Contact: Craig Addington

Represents refractory product manufacturers, their raw material and equipment suppliers, and installers of refractory products.

CHEMICALS & CHEMICAL PROCESSING

American Chemical Society (ACS)

1155 16th St. NW
Washington, DC 20036
202-872-4396
help@acs.org
www.acs.org/meetings
Contact: Meetings administrator

Represents chemists and professionals in the chemical and related industries.

American Chemistry Council (ACC)

700 2nd St. NE
Washington, DC 20002
202-249-7000
patrick_hurston@americanchemistry.com
www.americanchemistrycouncil.com
Contact: ACC

Represents chemical manufacturers.

American Cleaning Institute (ACI)

1331 L St. NW, Ste. 650
Washington, DC 20005
202-347-2900
info@cleaninginstitute.org
www.cleaninginstitute.org
Contact: Brian Sansoni

Represents producers of household, industrial, and institutional cleaning products, ingredients, and finished packaging; oleochemical producers; and chemical distributors to the cleaning product industry.

American Institute of Chemical Engineers (AIChE)

120 Wall St., 23rd Floor
New York, NY 10005
800-242-4363
customerservice@aiCHE.org
www.aiCHE.org
Contact: AIChE

Promotes excellence in chemical engineering education and global practice; advances the development

and exchange of relevant knowledge; and upholds and advances the chemical engineering profession's standards, ethics, and diversity.

Association of Consulting Chemists and Chemical Engineers (ACC&CE)

PO Box 297
Sparta, NJ 07871
973-729-6671
accce@chemconsult.org
www.chemconsult.org

Contact: Linda B. Townsend

Represents technical consultants in the chemical and allied industries.

Household & Commercial Products Association (HCPA)

1667 K St. NW, Ste. 300
Washington, DC 20006
202-872-8110
info@thehcpa.org
www.thehcpa.org

Contact: Erin Donovan

Represents the interests of companies engaged in the manufacture, formulation, distribution, and sale of consumer products that help household and institutional customers create cleaner and healthier environments. Products include disinfectants, candles, fragrances, air fresheners, pest management products, cleaning products and polishes, aerosol products, and more. Association provides members a platform to effectively address issues regarding the health, safety, and sustainability of their products.

Pine Chemicals Association (PCA)

PO Box 17136
Fernandina Beach, FL 32035
404-994-6267
cwmorris@bellsouth.net
www.pinechemicals.org

Contact: Charles W. Morris

Represents the chemical products sector of the pulp and forest products industries, including black liquor skimmings, tall oil products, crude turpentine, and gum rosin.

Society of Chemical Manufacturers and Affiliates (SOCMA)

1400 Crystal Dr., Ste. 630
Arlington, VA 22202
571-348-5100
gainesj@socma.com
www.socma.com

Contact: Jenny Gaines

Represents companies involved in all segments of the global specialty chemical industries.

COATINGS & COLORS

American Coatings Association (ACA)

1500 Rhode Island Ave. NW
Washington, DC 20005
202-462-6272
members@paint.org
www.paint.org

Contact: ACA

Represents professionals in the paint and coatings industry, including paint and coatings manufacturers, raw materials suppliers, distributors, and technical professionals.

Color Association of the US (CAUS)

315 W 39th St., Studio 507
New York, NY 10018
212-947-7774
info@colorassociation.com
www.colorassociation.com

Contact: Margaret Walch

Represents the textiles, design, and fashion industries, and serves as the authority and arbiter of commercial colors in the US.

Color Pigments Manufacturers Association (CPMA)

1400 Crystal Dr., Ste. 630
Arlington, VA 22202
571-348-5130
cpma@cpma.com
www.pigments.org

Contact: David W. Wawer

Represents manufacturers of color pigments used in paints, inks, plastics, glass, ceramics, and other products.

Powder Coating Institute (PCI)

2170 Buckthorne Pl., Ste. 250
The Woodlands, TX 77380
832-585-0770
pci-info@powdercoating.org
www.powdercoating.org

Contact: Tamara Hancock

Represents manufacturers and distributors of powder coatings, raw materials, application equipment, and related products and services.

ENGINEERING

AACE International

1265 Suncrest Towne Centre Dr.
Morgantown, WV 26505-1876
304-296-8444
info@aacei.org
web.aacei.org

Nonprofit association represents cost engineers, cost estimators, project managers, planners, and other

schedulers involved with total cost management.

Abrasive Engineering Society (AES)

144 Moore Rd.
Butler, PA 16001
724-282-6210
aes@abrasiveengineering.com
www.abrasiveengineering.com

Contact: Ted Giese

Provides information and resources for the manufacture and end use of industrial abrasives and products made with abrasive materials.

American Society of Mechanical Engineers (ASME)

3 Park Ave.
New York, NY 10016
212-591-7000
infocentral@asme.org
www.asme.org

Contact: Jeff Howitt

Represents mechanical engineers and students in the research and development of safety codes and standards for mechanical equipment.

Association for Facilities Engineering (AFE)

12801 Worldgate Dr., Ste. 500
Herndon, VA 20170
571-203-7171
info@afe.org
www.afe.org

Contact: Gabriella Jacobs

Represents plant and facilities engineers and managers.

Association of Energy Engineers (AEE)

4025 Pleasantdale Rd., Ste. 420
Atlanta, GA 30340
770-447-5083 ext. 210
info@aeecenter.org
www.aeecenter.org

Contact: Ruth Marie

Represents engineers who optimize electrical, mechanical, and HVAC systems while reducing energy use.

Institute of Electrical and Electronics Engineers (IEEE)

3 Park Ave., 17th Floor
New York, NY 10016-5997
212-419-7900
society-info@ieee.org
www.ieee.org

Technical professional organization dedicated to advancing technology with members in 160 countries. Offers publications, conferences, technology standards, and professional and educational activities.

Institute of Industrial and Systems Engineers (IISE)

3577 Parkway Ln., Ste. 200
Norcross, GA 30092
770-449-0460
cs@iise.org
www.iinet.org
Contact: Customer service

Represents professional industrial engineers who manage applications, perform research, and educate, train, or develop industrial engineers.

NACE International

1440 S Creek Dr.
Houston, TX 77084
281-228-6200
firstservice@nace.org
www.nace.org
Contact: Chad Pilbeam

Protects people, assets, and the environment from the effects of corrosion.

National Electrical Manufacturers Association (NEMA)

1300 N 17th St., Ste. 1752
Rosslyn, VA 22209
703-841-3200
www.nema.org
Contact: NEMA

Represents the electrical manufacturing industry.

National Society of Professional Engineers (NSPE)

1420 King St.
Alexandria, VA 22314-2794
703-684-2800
executive@nspe.org
www.nspe.org
Contact: Mark Golden

Represents engineering professionals.

SME

1 SME Dr.
PO Box 930
Dearborn, MI 48121
313-271-1500
membership@sme.org
www.sme.org
Contact: Membership

Represents manufacturing engineers and promotes the advancement of manufacturing engineering.

Society for the Advancement of Material and Process Engineering (SAMPE)

21680 Gateway Center Dr., Ste. 300
Diamond Bar, CA 91765-2454
626-521-9460
sampe@sampe.org
www.nasampe.org
Contact: Janie Drake

International educational and scientific association for the advancement of new materials and processes; sponsors technical conferences and exhibitions; publishes proceedings and technical publications.

Society of Hispanic Professional Engineers (SHPE)

13181 Crossroads Pkwy. N, Ste. 450
City of Industry, CA 91746
323-725-3970
shpenational@shpe.org
www.shpe.org
Contact: Belem Majalca

Represents Hispanic professionals in the engineering, math, and science industries.

FEED & GRAIN**American Feed Industry Association (AFIA)**

2101 Wilson Blvd., Ste. 810
Arlington, VA 22201
703-524-0810
afia@afia.org
www.afia.org
Contact: Sarah Novak

Represents feed manufacturers and suppliers to the industry.

Association of Equipment Manufacturers (AEM)

6737 W Washington St., Ste. 2400
Milwaukee, WI 53214
414-272-0943
aem@aem.org
www.aem.org
Contact: Paul Malek

North American-based international trade group represents the off-road equipment manufacturing industry in the agriculture- and construction-related sectors.

Grain Elevator and Processing Society (GEAPS)

4800 Olson Memorial Hwy., Ste. 150
Golden Valley, MN 55422
763-999-4300
info@geaps.com
www.geaps.com
Contact: GEAPS

Represents grain processors and grain elevator operators and suppliers to the industry.

International Association of Operative Millers (IAOM)

12351 W 96th Ter., Ste. 100
Lenexa, KS 66215
913-338-3377
info@iaom.info
www.iaom.info
Contact: Melinda Farris

Represents grain millers, seed processors, and allied trades devoted to the advancement of technology in the grain-milling and seed-processing industries.

National Grain and Feed Association (NGFA)

1250 I St. NW, Ste. 1003
Washington, DC 20005
202-289-0873
ngfa@ngfa.org
www.ngfa.org

Represents grain, feed, and processing firms that store, handle, mill, process, and export grains and oil seeds.

FOOD & FOOD PROCESSING**AIB International**

121 Bakers Way
Manhattan, KS 66502
800-633-5137
aibmarketing@aibonline.org
www.aibonline.org
Contact: Brian Soddy

Provides research and education on food processing for grain-based food companies and provides GMP food safety inspections; BRC, SQF 2000, and FSSC 22000 certification; HACCP, QSE, and OSHA audits and training; and ISO 9000 registration for food companies worldwide.

American Bakers Association (ABA)

601 Pennsylvania Ave. NW, Ste. 230
Washington, DC 20004
202-789-0300
info@americanbakers.org
www.americanbakers.org

Represents the wholesale baking industry and the interests of bakers through public policy advocacy, education, and networking opportunities.

American Dairy Products Institute (ADPI)

116 N York St., Ste. 200
Elmhurst, IL 60126
630-530-8700
info@adpi.org
www.adpi.org
Contact: Dan Meyer

Represents domestic and international manufacturers of dry milk, whey products, and evaporated milk and cheese as well as suppliers to these manufacturers.

American Frozen Food Institute (AFFI)

2000 Corporate Rdg., Ste. 1000
McLean, VA 22102
703-821-0770
info@affi.com
www.affi.org
Contact: Kraig R. Naasz

Represents frozen food manufacturers, suppliers, and marketers.

American Spice Trade Association (ASTA)

2025 M St. NW, Ste. 800
Washington, DC 20036
202-367-1127
info@astaspice.org
www.astaspice.org
Contact: Elizabeth Erman

Represents companies in the spice industry.

American Sugar Alliance (ASA)

2111 Wilson Blvd., Ste. 600
Arlington, VA 22201
703-351-5055
info@sugaralliance.org
www.sugaralliance.org
Contact: Vickie Myers

Represents American sweetener processors and cane, beet, and corn farmers.

BEMA

7101 College Blvd., Ste. 1505
Overland Park, KS 66210
913-338-1300
info@bema.org
www.bema.org
Contact: Kerwin Brown

Represents baking industry suppliers.

Cereals & Grains Association

3352 Sherman Ct., Ste. 202
St. Paul, MN 55121
651-454-7250
info@cerealsgrains.org
www.cerealsgrains.org

Represents cereal scientists and other professionals studying the chemistry of cereal grains and their products.

Consumer Brands Association

1001 19th St. N, 7th Floor
Arlington, VA 22209
571-378-6760
info@consumerbrandsassociation.org
www.consumerbrandsassociation.org

Represents the food processing industry on scientific and public policy issues involving food safety, food security, nutrition, technical and regulatory matters, and consumer affairs.

Food Processing Suppliers Association (FPSA)

1451 Dolley Madison Blvd.
McLean, VA 22101
703-761-2600
info@fpsa.org
www.fpsa.org

Represents suppliers of equipment and services to the dairy, food, beverage, and related processing industries.

Food Processors of Canada (FPC)

350 Sparks St., Ste. 900
Ottawa, ON K1R 7S8
613-722-1000
fpc@foodprocessors.ca
www.foodprocessorsofcanada.ca
Contact: Christopher Kyte

Represents food processors.

Institute of Food Technologists (IFT)

525 W Van Buren St., Ste. 1000
Chicago, IL 60607-3830
312-782-8424
info@ift.org
www.ift.org

Global nonprofit scientific society of professionals working in food science, food technology, and related professions in industry, academia, and government.

Midwest Food Products Association (MWFPA)

4600 American Pkwy., Ste. 210
Madison, WI 53718-8334
608-255-9946
info@mwfpa.org
www.mwfpa.org
Contact: Nickolas George

Represents processors of food products in legislative and regulatory affairs in Illinois, Minnesota, and Wisconsin.

SNAC International

1600 Wilson Blvd., Ste. 650
Arlington, VA 22209
703-836-4500
dwalsh@snacintl.org
www.snacintl.org
Contact: David Walsh

Represents snack food manufacturers and suppliers to the industry.

GLASS**Glass Manufacturing Industry Council (GMIC)**

600 N Cleveland Ave., Ste. 210
Westerville, OH 43082
614-818-9423
rwlipetz@gmic.org
www.gmic.org

Nonprofit trade organization that represents the interests of the glass manufacturing industry.

National Glass Association (NGA) with GANA

1945 Old Gallows Rd., Ste. 750
Vienna, VA 22182
866-342-5642
nga@glass.org
www.glass.org
Contact: Customer service department

Represents manufacturers, fabricators, contract glaziers, distributors, and retailers of flat glass and glass products.

INSTRUMENTATION**Control System Integrators Association (CSIA)**

111 W Jackson Blvd., Ste. 1412
Chicago, IL 60604
847-686-2245
industrydir@controlsys.org
www.controlsys.org
Contact: Lisa Richter

Not-for-profit global trade association that seeks to advance the control system integration industry, which uses engineering, technical, and business skills to help manufacturers and others automate industrial equipment and systems.

International Society of Automation (ISA)

67 Alexander Dr.
Research Triangle Park, NC 27709
919-549-8411
info@isa.org
www.isa.org
Contact: Customer and member services

Represents individuals working on theory, design, and applications of measurement and control.

MATERIALS**The Adhesion Society**

7101 Wisconsin Ave., Ste. 990
Bethesda, MD 20814
301-986-9700
adhesionsociety@ascouncil.org
www.adhesionsociety.org
Contact: Malinda Armstrong

Represents scientists, engineers, and others interested in adhesion in coatings, composite materials, and related products.

The Adhesive and Sealant Council (ASC)

7101 Wisconsin Ave., Ste. 990
Bethesda, MD 20814
301-986-9700
steve.duren@ascouncil.org
www.ascouncil.org
Contact: Steve Duren

Represents manufacturers and suppliers involved in the development, marketing, and distribution of adhesives and sealants.

The American Carbon Society (AmCS)

2540 Research Park Dr.
Lexington, KY 40511
ashley.morris@uky.edu
www.americancarbonsociety.org
Contact: Ashley Morris

Represents carbon industry engineers and scientists and promotes research and education in carbon and related fields.

ASM International

9639 Kinsman Rd.
Materials Park, OH 44073-0002
440-338-5151
customerservice@asminternational.org
www.asminternational.org
Contact: Member services

Represents manufacturers and users of metals and other engineered materials and processes.

The Brick Industry Association (BIA)

1850 Centennial Park Dr., Ste. 301
Reston, VA 20191
703-620-0010
brickinfo@bia.org
www.gobrick.com

National trade association representing distributors and manufacturers of clay brick and suppliers of related products and services. Is an authority on clay brick construction and represents the industry in all model building code forums and national standard committees.

Industrial Fabrics Association International (IFAI)

1801 County B Rd. W
Roseville, MN 55113-4061
651-222-2508
generalinfo@ifai.com
www.ifai.com

Nonprofit trade association whose member companies represent the international technical fabrics marketplace, including fibers, fabrics, end products, equipment, and hardware.

International Fine Particles Research Institute (IFPRI)

2045 Wooddale Dr.
Woodbury, MN 55125
651-730-1729
whendrickson@aveka.com
www.ifpri.net
Contact: Willie Hendrickson

Nonprofit organization with a global network of companies and academics with active research programs in particle science and technology. Membership includes those involved in the bulk and specialty chemicals, pharmaceuticals, minerals, construction, coatings, detergents, and food industries.

International Molded Fiber Association (IMFA)

1425 W Mequon Rd., Ste. C-D
Mequon, WI 53092
262-241-0522
info@imfa.org
www.imfa.org
Contact: Joe Grygny

Promotes the molded fiber industry through educational seminars, conferences, and other programs.

Materials & Methods Standards Association (MMSA)

91 Amity Rd.
Bethany, CT 06524
203-393-4547
dkempster@schluter.com
mmsausa.com
Contact: Dale Kempster

Materials Research Society (MRS)

506 Keystone Dr.
Warrendale, PA 15086-7537
724-779-3003
info@mrs.org
www.mrs.org

International organization of materials researchers from academia, industry, and government promoting communication and technical information exchange across the various materials science fields.

Unified Abrasives Manufacturers' Association (UAMA)

30200 Detroit Rd.
Cleveland, OH 44145-1967
440-899-0010
contact@uama.org
www.uama.org
Contact: Jeff Wherry

Represents manufacturers of abrasive grain and bonded, coated, and super abrasives.

METALS & MINERALS**The Aluminum Association**

1400 Crystal Dr., Ste. 430
Arlington, VA 22202
703-358-2985
hsattlet@aluminum.org
www.aluminum.org
Contact: Hank Sattlethight

Represents US- and foreign-based primary producers of aluminum as well as recyclers and producers of semifabricated products, foundries, distributors, and suppliers. Producer members operate roughly 190 plants in North America.

American Coke and Coal Chemicals Institute (ACCCI)

25 Massachusetts Ave. NW, Ste. 800
Washington, DC 20001
724-772-1167
information@accii.org
www.accii.org
Contact: David C. Ailor

Represents metallurgical coke and coal producers, coal chemical processors and producers, and suppliers of goods and services to the industry.

Gypsum Association

6525 Belcrest Rd., Ste. 480
Hyattsville, MD 20782
301-277-8686
info@gypsum.org
www.gypsum.org
Contact: Lee G. Jones

Represents manufacturers of gypsum panel products in the US and Canada.

Industrial Minerals Association—North America (IMA—NA)

2011 Pennsylvania Ave. NW, Ste. 301
Washington, DC 20006
