

# PREVIEW: IAOM Conference & Expo

The 121st IAOM Conference & Expo will be held April 10-14 at the New Orleans Marriott and New Orleans Ernest N. Morial Convention Center in New Orleans, LA. The event is organized by the International Association of Operative Millers (IAOM) and will offer a wide range of presentations and exhibitors for milling professionals. Presentation categories include “Specialty Milling,” “Product Protection,” and “Technical Operations.” The expo will feature more than 100 companies displaying milling and processing equipment and related services.
