

PREVIEW: Expo Pack Guadalajara 2017

Expo Pack Guadalajara 2017 will be held June 13-15 at the Expo Guadalajara in Guadalajara, Mexico. The event is expected to attract more than 15,000 packaging and processing professionals from

across Mexico and Central America. The exhibition will feature 500 companies showcasing packaging and processing machinery, materials, containers, and other related equipment and services. The event will feature a full conference program, organized by The Mexican Packaging Association, a free conference program at the Innovation Stage, and Expo Pack Verde, a program supporting sustainable packaging technology. The event is organized by PMMI — The Association for Packaging and Processing Technologies.
