

On the cover: SWB 300 Smart Weigh Belt weighbelt feeder is shown at Once Again Nut Butter in Nunda, NY, accurately metering peanuts into a screw conveyor where sugar and salt are added via two of the supplier's loss-in-weight feeders. Weighbelt feeder can meter 44 to 44,000 lb/h of material, while the twin screw feeders are capable of accurately feeding powders and granular material at feedrates from 11 to 1,543 lb/h. Courtesy of Coperion K-Tron, Sewell, NJ, 856-589-0500 (www.coperion.com).
