

PREVIEW: Pack Expo International

Pack Expo International will take place October 14-17 at McCormick Place in Chicago, IL. The event has free education opportunities alongside an exhibition hall with more than 2,500 exhibitors, featuring suppliers of advanced packaging equipment, packaging materials, containers, automation technologies and other supply chain solutions. This year's event will also feature suppliers of digital packaging solutions. The event is organized by the Packaging Machinery Manufacturers Institute (PMMI) and colocated with the Healthcare Packaging Expo.
